7TH ORDER Motions, Memorials, and Resolutions

HOUSE CONCURRENT RESOLUTION NO. 9 BY HEALTH AND WELFARE COMMITTEE A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND PROCLAIMING THE MONTH OF MARCH 2015 AS SOCIAL WORK RECOGNITION MONTH AND CALLING UPON ALL CITIZENS TO JOIN WITH THE NATIONAL ASSOCIATION OF SOCIAL WORKERS IN CELEBRATION AND SUPPORT OF THE SOCIAL WORK PROFESSION.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the primary mission of the social work profession is to enhance human well-being and help meet the basic needs of all people, especially the most vulnerable in society; and

WHEREAS, social work pioneers helped lead America's struggle for a better life for all citizens; and

WHEREAS, social workers attempt to reduce poverty and trauma that can create lifelong social and economic disadvantages; and

WHEREAS, social workers support all families in every community; and

WHEREAS, social workers help people in every stage of life function better in their environments, improve their relationships with others and solve personal and family problems; and

WHEREAS, social workers strive for a safe environment and the best educational possibilities available for all children; and

WHEREAS, dignity and caregiving for older adults help define a nation's character; and

WHEREAS, veterans and their families need community support to ensure successful transitions after service; and

WHEREAS, access to mental health treatment and health care services saves millions of lives; and

WHEREAS, social workers believe in prosperity and opportunity for everyone; and

WHEREAS, social work research and advocacy identify community needs; and

WHEREAS, social workers celebrate the courage, hope and strength of the human spirit throughout their careers.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-third Idaho Legislature, the House of Representatives and the Senate concurring therein, that in recognition of the numerous contributions made by America's 600,000 social workers and the almost 4,000 licensed social workers in Idaho, we proclaim the month of March 2015 as Social Work Recognition Month in Idaho and call upon all citizens of Idaho to join with the National Association of Social Workers in celebration and support of the social work profession and National Social Work Month.

HOUSE JOINT MEMORIAL NO. 5 BY RESOURCES AND CONSERVATION COMMITTEE A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, THE SECRETARY OF THE INTERIOR, THE SECRETARY OF AGRICULTURE, THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Sixty-third Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Boulder-White Clouds area of Central Idaho has been suggested as a potential national monument that could be established under the provisions of the Antiquities Act of 1906; and

WHEREAS, the current multiple use and private land protection policies governing the management of this area generally have served the interests of local residents; and

WHEREAS, cattle ranching and agriculture, the main economic drivers in Central Idaho, will be substantially impacted by any land management decisions regarding this landscape. Agriculture is the single biggest economic contributor to the state. Idaho's farms and ranches represent 11.7 million acres in rural Idaho and the sales of farm and ranch products contribute nearly \$7.6 billion to Idaho's economy. Ranching and farming play a substantial role in the state's heritage and identity and should be preserved; and

WHEREAS, the 2006 Idaho Roadless Rule has proven to be a model for coordination among groups and individuals to resolve issues surrounding the management of 9.3 million acres of undeveloped national forestlands, providing protection for unique and sensitive areas, while simultaneously allowing for limited road construction, vegetation management and minerals development; and

WHEREAS, there has been no local collaborative process coordinated by the administration in association with the designation; and

WHEREAS, Custer County is the place most impacted by the creation of the Boulder-White Clouds National Monument and the people of Custer County were given the opportunity to vote for or against the creation of the national monument. Sixty-five percent of registered voters came to the polls in the 2014 midterm election, and of those ninety-five percent voted against the creation of a national monument solely by exercising the authority of the Antiquities Act of 1906, in part, because it precludes the collaborative process, and there has been no assurance from the administration that a collaborative process would be exercised; and

WHEREAS, a national monument designation would impact local wildlife management as well as hunting, fishing and other

recreational opportunities in Central Idaho, a place where Idaho residents, families and visitors can enjoy these Idaho traditions.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-third Idaho Legislature, the House of Representatives and the Senate concurring therein, that it is understood that the President of the United States has full authority under the Antiquities Act of 1906 to designate the Boulder-White Clouds as a national monument. However, there should be a collaborative effort to secure local and state support prior to the exercise of that presidential authority. Any effort to reach a decision regarding lands of Idaho administered by federal agencies should be made with local collaboration rather than by unilateral administrative processes that exclude the citizens of Idaho.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Secretary of the Interior, the Secretary of Agriculture, the President of the Senate and the Speaker of the House of Representatives of Congress, and to the congressional delegation representing the State of Idaho in the Congress of the United States.

 DEPARTMENT OF WATER RESOURCES RELATING TO
 RULES FOR CONJUNCTIVE MANAGEMENT OF SURFACE
 AND GROUND WATER RESOURCES.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Legislature is vested with authority to reject executive agency rules under the provisions of Section 67-5291, Idaho Code, in the event that the Legislature finds that the rules are not consistent with legislative intent; and

WHEREAS, it is the finding of the Legislature that a certain rule docket of the Department of Water Resources relating to Rules for Conjunctive Management of Surface and Ground Water Resources is not consistent with legislative intent and should be rejected.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-third Idaho Legislature, the House of Representatives and the Senate concurring therein, that IDAPA 37.03.11, Department of Water Resources, Rules for Conjunctive Management of Surface and Ground Water Resources, adopted as a pending rule under Docket Number 37-0311-1101, the entire rulemaking docket, be, and the same is hereby rejected and declared null, void and of no force and effect.

[HCR 9](#), [HJM 5](#), and [HCR 10](#) were introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.

[SCR 104](#), by Health and Welfare Committee, was introduced, read the first time by title, and referred to the Health and Welfare Committee.
